9. The conclusions or summary are accurate and supported by the content.		X		7
10. Proposed paper will likely be of interest to conference participants and attendees	X			9
Please Add Total Points from All Rows: 82				

Reviewer General Comments and Suggestions (mandatory written feedback):

The pedagogical implications of this type of documentation sound very interesting. A better framing of the question using cited background research and more clear indications of how the question will be investigated would be very helpful.

Reviewer General Comments and Suggestions (mandatory written feedback):

Even though not directly related to the theme of the conference this study might garner interest from the audience given the timely nature of the topic. The completed presentation might provide additional details about methodology adopted and if this was a location specific study ,
